AMERICAN & FOREIGN PATENTS
R. H. EDDY.
SOLICITOR OF PATENTS,
Late Agent of U. S. Patent, Office Washington, (under the Act of 1837.)
76 State Street, opposite Kilby Street,
BOSTON,

AFTER an extensive practice of upwards of twenty years, continues to secure Patents in the United States; also in Great Britain France, and other foreign countries. Caveats, Specifications, Bonds, Assignments, and all papers or Drawings for Patents, executed on liberal terms, and with despatch. Researches made into America or Foreign works, to determine the validity or utility of Patents or Inventions—and legal or other advice rendered in all matters touching the same. Copies of the claims of any Patent furnished by remitting One Dollar. Assignments recorded at Washington.

The Agency is not only the largest in New England, but through its inventors have advantages for securing Patents, of ascertaining the patentability of inventions unsurpassed by, if not immeasurably superior to any which can be offered them elsewhere. The Testimonials below given prove that none is MORE SUCCESSFUL AT THE PATENT OFFICE than the subscriber; and as SUCCESS IS THE BEST PROOF OF ADVANTAGES AND ABILITY, he would add that he has abundant reason to believe, and can prove, that at no other office of the kind are the charges for professional services so moderate. The immense practice of the subscriber during twenty years past has enabled him to accumulate a vast collection of specifications and official decisions relative to patents.

These, besides his extensive library of legal and mechanical works, and full accounts of patents granted in the United States and Europe, render him able, beyond question, to offer superior facilities for obtaining Patents.

All necessity of a journey to Washington, to procure a patent, and the usual great delay there, are here saved inventors.

TESTIMONIALS:

"I regard Mr. Eddy as one of the most capable and successful practitioners with whom I have had official intercourse.
CHARLES MASON,
Commissioner of Patents.

"I have no hesitation in assuring inventors that they cannot employ a person more competent and trustworthy, and more capable of putting their applications in a form to secure for them an early and favorable consideration of the Patent Office. EDMOND BURKE,
Late Commissioner of Patent.

Mr. R. H. Eddy has made for me THIRTEEN applications, on all but ONE of which patents have been granted, and that is *now pending*. Such unmistakable proof of great talent and ability on his part leads me to recommend *all* inventors to apply to him to procure their patents as they may be sure of having the most faithful attention bestowed on their cases and at very reasonable charges" JOHN MAGAGFT.

During eight months the subscriber, in course of his large practice, made on *twice* rejected applications SIXTEEN APPEALS, EVERY ONE of which was decided in *his favor*, by the Commissioner of Patents,
R. H. EDDY.

A CHALLENGE AND A REWARD
$500 REWARD.

I BEG LEAVE to inform my friends and the community, that from recent arrangements made by me, I NOW offer the above reward in good faith, which shall be paid in cash to any chemist or physician, of good and responsible standing in the State, who, on due analysis and satisfactory evidence, can find anything in the BRANDIES, WINES, GINS, &c., &c., NOW for sale by me as pure, other than is found in all PURE, GENUINE and UNADULTERATED ARTICLES.

Knowing, from experience, that our citizens in general labor under the impression, with good cause, that pure liquors cannot be had, I, after much pains studious investigation, and from the reliable source with whom I NOW contract for my supplies in these articles, do stake my reputation as a man, my integrity as a merchant, that if the liquors NOW sold by me as pure "are not so," then none can be had from the vineyards in France or from any part of the world. As a proof of my sincerity, I challenge chemical contradiction; and invite all to come and test for themselves, when they will learn that NOW, "if never before," pure liquors can be purchased in Newport, by bottle or measure, for medicinal or family purposes, as cheap as in any other place in these United States
WM. ALDERSON, Newport, R. I.

N. B.—The main inducement for all to give me a call is, that my figure for the genuine article is rather less than more, than is NOW charged for the handsome labeled bottled compounds so extensively sold all over the country. a23

A NEW MUSIC BOOK,
OR THE
New York Musical Review.
FOR NOTHING!

We have in press, and shall publish in October, "ASAPH, or THE CHOIR BOOK;" a new collection of Church Music for Singing Schools and Choirs, by Dr. LOWELL MASON. Dr. MASON's last similar work, published in 1854, reached the enormous sale, in its first year, of over 54,000 copies, which is, we are confident, the largest sale ever enjoyed, in its first season, by any Church Music Book by a single author. The work now in press will embrace *nearly all new matter* culled with great care from numerous sources, such, as it is believed, will be of the highest interest to Choirs and Singing Schools. Its Singing School Department is more extensive and *complete* than in any previous work, being indeed, a complete work in itself, and forming an extensive collection of secular music, the words, as well as music, to which, are nearly all quite new. Retail price, one dollar.

We publish, also, THE NEW YORK MUSICAL REVIEW, a fortnightly journal of sixteen quarto pages, including four pages of choice music in each number, with twelve pages of reading matter, including frequent articles from the leading musicians of the country, with all the musical news, &c., &c. Subscription, $1,00 per annum.

In view of the present hard times, and with the purpose of obtaining a wide circulation for specimen copies of Dr. MASON's new work, we are induced to make the following liberal offer, viz.: To every one sending us, before 1st November, one dollar, (the price of subscription to the REVIEW,) we will furnish the paper for a year, and also, as soon as issued, a copy of Dr. MASON's new work above announced, thus giving two dollars' worth for one. Those desiring the book sent by mail, must inclose twenty-four cents, to pay postage, in advance.

THE WESTERN ARMY.

The war at the west seems suddenly to have been carried back northward as rapidly as it went south. For a time we heard of nothing but glorious victories and captures at the west. What, then, is our surprise, after being told by Halleck that Beauregard's army was demoralized and breaking up, to find Murfreesboro' captured by the rebels, and with it eighteen hundred of our troops, with two of their brigadier generals, and a battery of artillery, to hear of Lexington being threatened by guerillas, Louisville alarmed for its own safety, Cynthiana taken and burned, Henderson occupied by guerillas, and even the towns of Newburg and Evansville, Indiana, captured. No disaster that has occurred in the eastern departments has ever carried the war into the free States, often as that has been plotted, designed and attempted by the generals at Richmond.

What are we to think of this sudden reverse at the west? Have the generals grown negligent there, or have they been outwitted by Beauregard? We thought that the great naval victories on the Mississippi had annihiliated the rebel navy, but lo! a new iron-clad ram makes its appearance suddenly from the Yazoo river, dashes furiously into our fleet, sinks two or three vessels, and runs the gauntlet successfully to reach Vicksburg. We were talking of the conquest of Arkansas, when suddenly a town in northern Missouri is captured by rebels, and Curtis' army, in Arkansas, in danger for its very existence, has to march to the Mississippi river to obtain sustenance. Truly all these things require explanation. We cannot understand why, when Arkansas was left by Van Dorn and Price perfectly deserted by rebel troops, Curtis kept his army idle on the frontier, instead of marching to Little Rock and subsisting upon the enemy; and as we have always done him full justice for his services, we feel like candidly expressing our total disbelief in the soundness of any such policy as this.

Curtis' inexplicable delay upon the border gave Hindman and Rector time to obtain troops from Texas and Louisiana, and to force the raising of a large Arkansas army by conscription. Such was the threatening size of this rebel force that it assumed the offensive instead of waiting to defend Little Rock, and Curtis was as much threatened as at Pea Ridge. There may be some profound military policy at the bottom of this, but it is entirely too occult for men of common sense to understand. An active, vigorous offensive policy might have revolutionized Arkansas, for the legislature had dispersed in dismay, and the Governor issued a proclomation couched in the very accents of despair.

Of all the generals now in command at the west, Grant is the only one who has shown himself capable of conducting offensive operations, and it was this no doubt, which prompted his selection for the command of the armies of the southwest. Curtis, Thomas, Buell and all the rest now holding commands there, have gained distinction by pursuing a cautious and defensive policy.—Curtis and Thomas both gained their great victories of Pea Ridge and Mill Spring by fighting on the defensive.—Grant is one of the most desperate fighters in the army, and at the same time the boldest. His terrible battles at Belmont, Donelson and Shiloh were fought against the best disciplined troops and ablest generals of the rebel army. We may, therefore, be certain that under his command the army at the west will give a good account of itself in battle. The extraordinary tales told of the mismanagement at the battle of Shiloh are now well ascertained to have been fabricated and put in circulation by Grant's enemies. His policy discards small maneuvres and cautious strategy. He pursues the well known military plan of striking none but great blows, and those only at the vital points.

Prenticeiana.—Union women cannot go into the army, but they can shame men into going.

The rebels, when they evacuated Nashville, left a large quantity of grapeshot behind them. The Federal troops are anxiously waiting for a chance to return it to them.

LOCAL NEWS ITEMS.

THE ANNUAL EXHIBITION OF ST. MARY'S FEMALE SCHOOL, took place yesterday afternoon at Aquidneck Hall which was filled at an early hour with a large and highly respectable audience. The following Programme of exercises, will give an idea of the character of the performances, as well as the names of those who participated:

PROGRAMME.

PART I.

1 Song—Pearly Fountain, Senior Pupils.
2 The Charms, Junior Pupils.
3 Dialogue—Mrs Bouncer, Misses McCormick, O'Neill and Cottrell.
4 The Tea Party, Juvenile Circle.
5 Song- Nellie Gray, Juvenile Pupils.
6 Discontented Little Girl, Misses O'Neill and Seager.
7 Smile of Innocence, Juvenile Members.
8 Young Orator, Master Eddie Jordan.

PART II.

1 Song—Sister Elves, Senior Pupils.
2 Young Soldier, Masters J. Galvin, Casey, &c.
3 Butterfly's Ball, Juvenile Pupils.
4 Talented Young Lady, Misses Cottrell, McCormick and Brennan.
5 Song—Boys and Girls Come out to play, Junior Pupils.
6 There's no such word as Fail, Junior Pupils.
7 Little Star, Masters McCormick, Conroy, &c.
8 Good Advice, Junior Pupils.

PART III.

1 Song—Kitty Clyde, Senior Pupils.
2 Bee and Butterfly, Misses Seager and Sullivan.
3 The Dilatory Scholar, Juvenile Pupils.
4 Baron Von Klingenberg, Senior Pupils.
5 Song—I'm Afloat, Senior Pupils.
6 Valedictory, Miss Mary McCormick.
7 Distribution of Prizes,
8 Song—We are going Home, Senior Pupils.

The above Programme was performed exactly as published, and where all did so well it might seem almost invidious to select any for especial commendation. The pupils engaged in the exercises ranged from the ages of four years up to sixteen, and they all sustained the parts assigned them with remarkable ability. The Salutatory by Miss Kate Seager, was a very well written piece, and well spoken. All the dialogues were exceedingly well performed and we should not feel satisfied with our own appreciation of the exercises, did we withhold a word of particular praise from Miss M McCormick, and Misses Cottrell and Brennan. In the dialogue of "Mrs. Bouncer," "The Talented Young Lady." and particularly in the piece of "Baron Von Klingenberg," we think there was displayed dramatic ability of no ordinary degree. But what was particularly noticeable, was the remarkable self-possion that was evinced from the least to the largest of the pupils. From little Master Eddie Jordan of five years, to the Valedictorian, all elicited warmest applause by their successful performance of their parts. It must have certainly cheered the hearts of the Pastors of the Church, as well as those of its numerous friends, to witness so decided a success.

To the devoted and faithful Sisters of Mercy, under whose tuition the school has arrived at its present flourishing condition the occasion must have been one of great consolation and encouragement. At the close of the exercises there was a distribution of prizes to the members of the school, under the direction of the clergymen of the Parish.

Previous to the distribution the following Valedictory was spoken by Miss Mary McCormick, and it was gracefully delivered and well received.

The happy tribute to the bloved Pastors of the Church as well as the touching allusion to their teachers, and the disruption of their ties as classmates, brought the tear of sympathy into many an eye.

VALEDICTORY.

To you whose kindly presence here to day,
Hath shed its influence o'er our opening way,
Thanks, for the warm approval you have shown
Thanks, for the thought we do not stand alone,
So shall we strive each purer path to see,
And Virtue, Education's handmaid be·

One word to Thee, whose ever watchful care
Leads us to Heaven, by the way of prayer
Whose faithful feet have ever firmly trod,
In full submission to the will of God.
If, in Life's coming days our hearts shall be
Bowed, as was His who died on Calvary—
By His example and thy guardian eye
Be ours the cross, and ours the victory,

To you, whose daily care it is to keep
Within the fold, your flocks of christian sheep;
Be trusty shepherds, that when Death may come
The fold may gather in their heavenly home.
But most to him, a greeting here we send,
The Patron, Pastor, and the faithful Friend.

When fell Disease affrights the trembling land:
When Pain and Suffering lift the avenging hand
Who are the ones that ever ready go,
In spite of Danger, to the house of woe?
They're Mercy's sisters, by whose acts we see
How much of goodness in man's heart can be.
Our kindly teachers, with a long farewell
We leave them sadly, for we loved them well.

Class-mates farewell! no longer hand in hand,
Upon the threshold of our life we stand.
To-day, the solemn parting word is spoken,
To-day, the bright and golden link is broken
To-day, the heart goes foward to the years
Of Future time, with all their smiles and tears.
Be firm in purpose, and be staunch in good,
To meet at last, a heavenly sisterhood.
Time flies apace, we break this magic spell,
Peace be to all, a Vale and Farewell!

After the distribution of prizes Rev. Mr. Creedon of Auburn N. Y., a visiting clergyman who was present, was introduced to the audience and made a brief but patriotic and eloquent address. He expressed the deep gratification which he had experienced in witnessing the successful exercises of the school, as well as of the great consolation to be derived therefrom by Pastors, Teachers, and Parents. He spoke of the necessity of correct christian education, especially at a time like this, an education that would fit the rising generation to appreciate the great trust that would be soon committed to their keeping. He spoke most feelingly and eloquently of the times upon which we had fallen—and the necessity of impressing upon our youth their duty to make any and all sacrifices to maintain the integrity of the Union and uphold the American Constitution. "Let," said the Rev. gentleman, "if need be, the son forsake the paternal roof, and the father be seperated from the son—let any sacrifice be made so that we lend all the assistance in our power to uphold the constitution and laws. And for this purpose let our children be educated into a christian and enlightened potriotism."

The Rev. speaker's address was listened to with marked attention and received with tokens of applause. Indeed we are much mistaken if an indissoluble bond is not being fast woven between Americans, and our Catholic citizens, by their exhibition everywhere, even under adverse circumstances, of the most faithful loyalty to the Union, the Constitution and the Laws, and maintained by a display of the most patriotic bravery on the field of battle.

Thus closed the Exhibitions of the Male and Female Departments of St. Mary's Schools.

It was a decided success, upon which we most sincerely congratulate all concerned.

To the Teachers, it must be a reward for past labors and an encouraging guarantee of future success. To the Very Rev. Father O'Reilly the Rector of the Church, and to the Rev. Father Maguire his Assistant, the exercises must have been highly gratifying, and encouraging. These gentlemen, who have been amongst us some time, have not only by their fidelity as Pastors, gained the abiding affection of their Flock, but by their christian deportment, and refinement as gentlemen, have won the esteem of our entire community, and we heartily congratulate them upon the success of these exhibitions.

The World Moves.—The *N. Y. World* of Tuesday has the following:

We must believe in the divine right of success. We must employ whatever men or means will assist us in attaining it—negroes, Jim Lane, Jennison, and all. We must meet cavalry with cavalry, raid with raid, black man with black man, little army with big army, big with bigger. We must watch and fight and slay.

The Tax Bill, it seems, is to be deferred awhile, perhaps until some grand military movement puts the people in heart to bear the burdens imposed by it. A Washington correspondent writes:

An amendment to the Tax bill, added just before the final passage of the bill in Congress, and not generally understood, allows the Secretary of the Treasury to postpone the operation of the act, if he shall find it necessary, and until such time as he shall judge proper. It is found to be impossible to get the machinery of the Internal Revenue Bureau in operation by the first of August, when it was originally designed that the bill should take effect.—Consequently the operation of the bill will be postponed for thirty days, at least, and it is in contemplation to extend the time to sixty days.

Generals Buell and Mitchel.—The Washington correspondent of the Cincinnati *Gazette*, (formerly with the army of the Southwest,) emphatically denies that Gen. Buell has taken any steps to prejudice the administration against Gen. Mitchel, and he adds the following, equally honorable to both commanders:

"Gens. Buell and Mitchell failed to harmonize in their views and mode of action. They could not co-operate in the same Department, and the fact was mutually recognized and accepted, without quarrel and without bitter feeling. More, when there was fear of General Mitchel's resigning, in consequence of this state of affairs, Gen. Buell emphatically declared it should not be, and that rather than suffer the government to lose Mitchel's services in a time like this, he would resign himself. If either of them had to leave the service, he declared that he, not Mitchel, should be the man. Let not those of us, therefore, who admire Mitchel's abilities and brilliant services, fail to do justice to Buell's high-toned and honorable course."

WAR NEWS.

FROM GEN. POPE'S COMMAND.

OFFICIAL REPORT OF GEN. KING'S EXPEDITION.

HEADQUARTERS ARMY OF VIRGINIA, July 24.

To E. M. Stanton, Secretary of War:

A cavalry expedition sent out by Gen. King on the 23d, from Fredericksburg, returned last evening. Early yesterday morning they met and defeated a body of confederate cavalry, 100 strong, stationed near Carmel Church on the telegraph road from Fredericksburg to Richmond. They burnt their camp and six cars loaded with corn, and broke up the telegraph to Gordonsville.

An hour later a large body of Stuart's cavalry came up to attack them. They too were defeated and driven across the North Anna River, and pursued to within sight o Hanover Junction.

Several prisoners, a large number of horses, and many arms were brought back.

A march of seventy miles and the encounter and defeat of two bodies of Confederate cavalry were accomplished in twenty-nine hours without the loss of a man.

I have not yet received the names of the commanding officer and the troops who have distinguished themselves, but will transmit them to you as soon as the particulars are received.

The damage done to the Virginia Central Railroad is not yet repaired.

JOHN POPE,
Major General Commanding.

The Postage Stamp Currency.—A special Washington despatch to the *Evening Post*, yesterday, says:

The semi-official announcement that ordinary postage stamps will not be redeemed or exchanged if used as currency, creates some excitement here. The Post Office Department has sold stamps to the value of half a million dollars, within the past week, for currency purposes. Secretary Chase is still doubting whether he will issue any stamps under the new law.

Until something definite is settled about this matter, it would be well for people to decline to receive the higher denomination of stamps, as the Postmaster here refuses to exchange them for the smaller denominations that are in more common use.—*Prov. Press.*

Confiscating Slaves.—The correspondent of the *Tribune*, giving an account of the five months' campaign of Gen. Curtis, now at Helena, Ark., thus speaks of the "contrabands:"

"The negroes who had been employed in falling trees to obstruct our passage were freed by Gen. Curtis. Fifty were thus emancipated at Augusta. All of whom we encountered seemed anxious to convince us that they had thus been used against our army, for they had learned that was the road to freedom. All along the route the genuine Union sentiment which we found was almost entirely confined to the negroes. In point of intelligence many of them are far superior to their master."

Washington at Waterloo.—"My dearly beloved hearers," said a very popular preacher down South, when haranguing his hearers on the importance of perseverance and fortitude during the present war you must do like Gen. Washington done at the battle of Waterloo. In the heat of the skirmish his horse was killed by a British cannon ball. Did Washington give up his horse to the enemy? Not he. He sung at the top of his voice, 'A horse, a horse! my kingdom for a horse.' A horse was brought him by Frank Marion, and he drove the British from the field, and secured the liberty of South Carolina."

In presenting these articles to the public, the inventor challenges the World in an Infallible. Simple, Easy, and Rapid process of Hermetical Sealing.

All scientific and practical men who have examined them say they are without a fault, and are the only ones that have stood the chemical test.

The sealing is on an entirely original plan. This principle has stood the test for several years, and the best certificate of their value is, that those who have tried these articles will use no other.

They are warranted as represented.

Reliable directions for putting up all kinds of Fruits, Vegetables, &c., will accompany the Jars.

A MORE ACTIVE WAR POLICY URGED.

NEW YORK, 25.

Resolutions were adopted yesterday at a meeting of the committee representing the New York Chamber of Commerce, Union Defense Committee and the Common Council, to the effect that every person in the Community of doubtful loyality, should be regarded as disloyal, and no one should be trusted who is not willing to sacrifice property, life and opinion for the public good; that the time has come when we must strike for the National life with every weapon that God has given us; that delay strengthens the rebels and wastes us; that, it is better that every rebel should perish, than one more loyal soldier should die, and therefore, it is earnestly urged, that it is best to immediately issue the order, which, will take from the rebels their army, by calling to the defence of their homes large numbers of rebel officers and men.

GREAT INDIAN REMEDY
For Females.

Dr. Mattison's Indian Emmenagogue.

This celebrated Female Medicine, possessing virtues unknown of anything else of the kind, and proving effectual after all others have failed, is designed for both *married and single ladies*, and is the very best thing known for the purpose, as it will bring on the *monthly sickness* in cases of obstruction, from any cause, and after all other remedies of the kind have been tried in vain.

OVER 2000 BOTTLES

have now been sold without a *single failure*, when taken as directed, and without the least injury to health *in any case* ☞ It is put up in bottles of three different strengths, with full directions for using and sent by express, *closely sealed*, to all parts of the country.

PRICES—Full strength, $10; half strength, $5; quarter strength $3 per bottle.

☞ *Remember! This medicine is designed expressly for* OBSTINATE CASES, *which all other remedies of the kind have failed to cure; also that it is warranted as represented* IN EVERY RESPECT, *or the price will be refunded.*

☞ BEWARE OF IMITATIONS! None genuine and warranted unless purchased *directly of Dr. M., or at his office.* ☞ Accommodations for Ladies wishing to remain in the city a short time for treatment.

Dr. Mattison's Diuretic Compound,
For Acute and Chronic Gonorrhoea.

This new remedy contains neither Balsam Copaiva, Spirits of Nitre, Cubebs, Turpentine, or any other nauseous drugs, but is an elegant vegetable liquid, pleasant to the taste and smell, greatful to the stomach, cooling, cleansing and healing in its operation and speedily allaying all heat and irritation in the urinary passages. You, therefore, who have been swallowing down *Balsam Copaiva*, either in capsules or mixtures, for months in succession, until with vile face and disordered stomach your breath and clothes are filled with its vile odor; throw away the disgusting mixtures, and send for a bottle of this *New Remedy*, which will not only cure you *at once*, but at the same time it will cleanse the system from the injurious effects of the various mixtures you have been taking so long.

☞ ONE BOTTLE, WHICH LASTS A WEEK, WILL OFTEN EFFECT A PERMANENT CURE.—Price $2,00.

Dr. Mattison's Anti-Syphilitic Syrup,
For Constitutional Syphilis.

No remedy ever discovered has done what has been achieved by this. Under its use every form of constitutional syphilitic taint is speedily cured, and in a few weeks the subtle poison is completely eradicated from the system, and health and strength are permanently restored.

☞ *It was this remedy that cured in a few weeks a gentleman from the South, then stopping at Newport, and for which he presented Dr. M. with $450 besides his bill, after having been under the treatment of the most eminent physicians in Baltimore, Philadelphia and New York for* FIVE YEARS.

One bottle, which lasts a month, will often effect a perfect cure. Price, $10; half size, $5.

Dr. Mattison's Nerve Invigorator.
For Nervous Debility, Loss of Power, Impotency, Confusion of Thought, Loss of Memory, Irritable Temper, Gloomy Apprehensions, Despondency and Melancholy, which may end in Loss of Reason.

This new remedy for that fearful train of mental and physical evils arising from secret excesses, and secret habits of the young, is composed of the most soothing, strengthening and invigorating [illegible] found in the whole Vegetable kingdom, which, in combination [illegible] first [illegible] for this obstinate and distressing class of maladies ever yet discovered.—It has now been sent to nearly every State in the Union, relieving the untold sufferings of hundreds who have never seen the inventor, restoring them to comparative health, strength and happiness. *Price*—Quart bottle, which last a month, $10; half size, $5.

☞ These four GREAT REMEDIES are the result of over twenty years' study and practice, and as now prepared they are known to be the *very best* for their respective purposes, and I am therefore induced to make them public for the mutual benefit of myself and the sick, who otherwise could never avail themselves of their benefits. They are all warranted as represented, in every respect, or the *price will be refunded.*

☞ Prepared and sold ONLY at DR. MATTISON'S REMEDIAL INSTITUTE FOR SPECIAL DISEASES near No. 23 Union street, Providence, R. I., and sent by express, *secure from observation*, to all parts of the United States.

A WORD OF CAUTION.

☞ It has been estimated that over *Two Hundred Thousand Dollars* are paid to swindling quacks annually in New England alone; and that, too, without *any benefit* to those who pay it. All this comes from trusting, *without inquiry*, to men who are alike destitute of honor, character or skill, and whose *only* recommendation is *their* own false and extravagant *assertions*, in praise of *themselves*. The only way to avoid imposition is to take no man's word, *no matter who pretensions are*, but MAKE INQUIRY It will cost you nothing, and may save you many regrets; for, as advertising physicians in nine cases out of ten are *bogus*, there is no safety in trusting *any of them* unless you know *who* and *what they are.*

Dr. M. will send *free*, by enclosing one stamp as above, a Pamphlet on DISEASES OF WOMEN, and on *Private Diseases* generally; giving full information, with *the most undoubted references and testimonials* without which no advertising physician, or medicine of this kind is deserving of ANY CONFIDENCE WHATEVER.

☞ Orders by mail promptly attended to. Write your address plainly, and direct to DR. MATTISON, as above. 25d&y

POSTSCRIPT.

CONCENTRATION OF REBELS NEAR GORDONSVILLE.

NEW YORK, 25th.

The World publishes a despatch from Washington which says, "I learn from pretty accurate private sources that Ewell's, Hill's, Longstreet and Jackson's Divisions of the Rebel Army have left Richmond gradually during the past fortnight; most of them going over the Virginia Central Rail Road, and that they are now concentrating near Gordonsville, constituting an army 60,000 strong. Undoubtedly, an attempt is to be made on Maryland or Washington. Our people are still uncertain whether it will be made up the valley, or this way. Counter Raids and attacks are to be instituted by us. A force may be pushed for Richmond from Fredericksburg with the purpose either of frightening them back or of gaining more than they can.

SECRETARY SEWARD.

The Times' story about Secretary Seward's resignation is without foundation.

COL. SCOTT.

Col. Scott, the Agent of the Post Office Department has returned from New Orleans. He states that Gen. Butler is the man for the place, and, but for his stringent measures, New Orleans would probably not have been held.

NOTICE.—We are daily receiving orders to send by mail some one or more of Dr. Hurd's Dental Remedies, which we cannot fill.—None are mailable except the *Neuralgia Plaster*, which we send in an envelope on receipt of Price (15 cents) and one stamp.—But to accommodate persons in places where the druggists and store keepers are behind the age, we have put up packages in white embossed boxes, seven inches by four, with compartments—each box containing a bottle of *Dr. Hurd's Mouth Wash*, and *Tooth Ache Drops*, a box of *Tooth Powder*, the *Neuralgia Plaster*, and a valuable little Treatise on *Teeth and their Diseases, the best means of preserving them, and the proper treatment of Children's Teeth*, (worth of itself the entire cost to every young man or woman, or parents with young children;) with sundry other necessary articles; price per package, *one dollar*, or six packages for $5, sent by express as directed. As the Express charges are not much, if any, more on a dozen than on one, it is far cheaper to order six or a dozen packages at one time. A large family will want all, or the surplus can be disposed of to neighbors with public benefit, for no one can estimate how much pain, suffering, unhappiness, and disfigurement, expense, loss of time and money would be saved to the country if every family to-day had one of these packages, which, in itself, is a complete set of Dental Remedies. Address WM. B. HURD & Co., Tribune Buildings, New York, and write name and address plainly. That remittances may be made with confidence. W. B. H. & Co. refer to the Mayor of Brooklyn, to G. W. PROF. L. MILLER'S

HAIR INVIGORATOR

AN EFFECTIVE, SAFE AND ECONOMICAL COMPOUND.

FOR RESTORING GRAY HAIR to its original color, without dyeing, and preventing Hair from turning gray.

FOR PREVENTING BALDNESS, and curing it, when there is the least particle of vitality or recuperative energy remaining.

FOR REMOVING SCURF AND DANDRUFF, and all cutaneous affections of the Scalp.

FOR BEAUTIFYING THE HAIR, imparting to it an unequalled gloss and brilliancy making it soft and silky in its texture and causing it to curl readily.

The great celebrity and the increasing demand for this unequalled preparation, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation at present in use. It cleanses the head and scalp from dandruff and other cutaneous diseases, causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and flexible appearance, and also where the hair is loosening and thinning, it will give strength and vigor to the roots, and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest respectability. It will effectually prevent the hair from turning gray until the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore it to its original hue, giving it a dark, glossy appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it affords in dressing the hair, which, when moist with the Invigorator can be dressed in any required form so as to preserve its place, whether plain or in curls—hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within the reach of all, being

ONLY TWENTY-FIVE CENTS

per bottle, to be had at all respectable druggists and perfumers.

L. MILLER would call the attention of Parents and Guardians to the use of his Invigorator, in cases where the children's Hair inclines to be weak. The use of it lays the foundation for a good head of hair, as it removes any impurities that may have become connected with the scalp, the removal of which is necessary both for the health of the child, and the future appearance of its Hair.

CAUTION.—None genuine without the fac simile LOUIS MILLER being on the outer wrapper, also, L. MILLER'S INVIGORATOR, N. Y. blown in the glass.

The *entire* press of the country has bestowed upon this work *unanimously* the highest encomiums. The Louisville Journal of October 8th, 1861, says of it:—

"It is a work of the highest merit. In fullness, completeness, accuracy, and logical as well as chronological dependence, it leaves nothing to be desired. We reckon the value of this work above price. It meets suitably the great literary demand of the hour. *It is a work the lack of which would prove with posterity a cause of special reproach to our day and generation.* Let everybody subscribe for it."

This work should be in every loyal family, it is a necessity for present information; and in future days will be read with interest by children and grandchildren, as a memorial of the present most important era of our National History.

Vol. 2 will be issued in May, and Vol. in September, 1862. But the work is continued also, as heretofore, in weekly parts at 10 cents, and monthly parts at 40 cents. For sale at all the book stores and news depots. Orders to be directed to
